You are invited to help us celebrate Catholic Education Week!

Why not come along and join in with some fun at St Joseph’s this week?

**Tuesday**

*Come along and share in a meal and a cuppa.*

From 8:00 am we will be serving up bacon & eggs from the canteen. There will be tea & coffee available as well. What a great way to start the day with a BBQ breakfast with the family –especially when you don’t have to cook it!

**Wednesday**

Today we will be highlighting Walk Safely to School Day. Children and their parents/families are encouraged to walk or ride to school today to highlight the benefits of being active but also and most importantly to highlight the safety aspects of walking or riding to school.

*Did you know that until they are 10, children should always hold an adults hand when crossing the road?*

You are also invited to join with the students for their electives session at 2:00pm. There are three elective groups, one has hand knitting and French knitting, another is a creative art studio and the third is coding/Minecraft and Lego. Lots of variety and the students are very excited to share their learning and teach the adults some things!

**Thursday**

Today students are invited to wear crazy socks and or crazy hair and give a gold coin donation to go towards Catholic Mission. This is an important charity that supports many people all over the world in a variety of ways.

We will also be switching off all non-essential power today as we remind ourselves of the importance of ecological awareness and looking after this awesome world of ours!

**Friday**

On Friday the students will be heading to Gladstone for a day with St James, Jamestown and St Joseph’s Gladstone to watch a performance about Mary MacKillop and to participate in some group activities. We will be leaving and returning within normal school hours.
