

St Joseph's School PETERBOROUGH

UNIFORM POLICY

At St Joseph's School the presentation of our students is important. The uniform policy exists to ensure appropriate and safe standards of dress. All students who attend St Joseph's School must wear the approved school uniform. The wearing of our school uniform is a requirement as stated in the enrolment forms but more importantly is one way we can all take pride in our school.

Compulsory enforcement of our uniform policy enables consistency in dress standards throughout the school and is a way of identifying students who are part of the St Joseph's community. If for any reason your child is unable to wear a particular item of our school uniform, they should provide a note from their parent/caregiver advising the school of the situation and take appropriate steps to correct the uniform as soon as possible. This is not permission to wear incorrect items for an extended period of time.

This Uniform Policy also addresses accessories which are acceptable. Again, approval of such accessories takes into account the safety, both physical and environmental, of each child.

To ensure consistency for students and across the school ***all clothing items must be purchased through the school.*** Therefore, similar items of clothing purchased from other sources will be deemed as not correct school uniform.
